YOUR CUP OF CHOICE

ATLANTIS[®] SPECIAL SELECT

QUALITY
VENDING SOLUTIONS

The versatile new **Atlantis Select** takes the hassle out of enjoying your favourite beverages at work. With a simple button press, you can savour classic black coffee, cappuccinos (regular and sugar-free), café lattes, hot milk (plain and sugar-free), and even premix tea. Forget about adding milk or monitoring the brewing process - all you need is dairy whitener for an incredibly convenient experience. This machine's unique mixing technology and programmable settings deliver coffee that tastes remarkably like it's made with fresh milk and beans, even when using dairy whitener and instant coffee.

FEATURES OF THE MACHINE

-  New trendy design with feather-touch buttons for dispensing
-  Four canister machine with three mixing chambers
-  Dual water supply - bubble top and pump
-  Flush / Cup counter / Half drink options
-  Dedicated hot water
-  Four canisters for predetermined ingredients - Instant coffee, dairy whitener, dairy whitener - no added sugar and premix tea
