

Ah! The joy
of abundant
chilled water.

ATLANTIS[®]
WATER DISPENSERS

ABOUT US

With a legacy spanning over 25 years, **ATLANTIS** is amongst India's leading brand of water dispensers, providing excellent drinking water dispensing solutions. Our commitment to innovation, quality, and customer satisfaction has made us a trusted name nationwide. Also, **ATLANTIS** has been the trusted choice of India's leading bottled water companies for more than two decades.

WHY ATLANTIS?

WIDE RANGE OF PRODUCTS: Choose from a variety of models, with cooling capacities that meet your specific needs. From compact units suitable for homes, to high-capacity models ideal for offices and public spaces. **ATLANTIS** water dispensers offer cooling capacity ranging from **2 liters** per hour to **10 liters** per hour, with large capacity cold water tanks, ensuring ample supply of cold water at all times.

CE | CB

DURABILITY AND RELIABILITY: Built to last, **Atlantis** dispensers are known for their durability and reliability. Each unit undergoes rigorous quality checks to ensure long-lasting performance.

MODERN DESIGN: Our dispensers combine functionality with aesthetics. Sleek and modern designs seamlessly integrate into any environment, enhancing the overall ambience of your place.

Explore our extensive range of water dispensers, designed to cater to various preferences and requirements. **Atlantis** water dispensers are suitable for every setting, whether it is for your home, office, or factory. From the trendy **Atlantis ONE** with single outlet dispensing for hot normal & cold water, to the high-capacity **Atlantis SUPER / JUMBO PLUS**, we have a dispenser to suit every need

The **ATLANTIS** range of products are manufactured in our **ISO 9001:2015** - certified facility meeting international quality standards, and carry the **CE & CB** mark of safety.
